Item Description	Quantity Total

Notes: (you can fill in this form and mail it back to me or send me an email with the information required ion Description.

Fill in the item description with details of what you would like to have carved, ensure you have the following details:

1. Theme—is there a theme you would like to have the item made to i.e. wildlife, gothic, and so on.
2. How many of them would you like?
3. What type of wood would you like me to use or what color would you like it to be?
4. Do you have a size you would like the tem to be?
5. Do you have a due date that you would like the item to be delivered to you?
6. Add in any other ideas or things you would like to have completed.

I will deliver back to you a complete sketch and design with options to include wood type and finishes. I will also provide you the cost you will be expected to pay for the item including tax and shipping.
